Re: A97 998 715 - Aljuneidi, Said

Dear Senator Durbin,

United States Citizenship and Immigration Services (USCIS) records indicate that your constituent's case is under further review by the adjudicating officer along with assistance of other agencies pertaining to the bonafides of the documented evidence they submitted in support of their application and/or petition. Cases are referred for additional review for a variety of reasons, which in the interests of upholding the United States immigration laws both in terms of enforcement and rights to privacy, may not be disclosed. It is difficult to predict with accuracy when this review will be completed. Please be assured that every effort is being made to render a final decision in a timely manner.

Sincerely,

Michael M. Comfort
District Director
